 2. In consideration of the Total Payment made by the Customer, the Dealer agrees to provide the Services up to the value of the Service Cost.
 3. The Customer agrees to make all Direct Debit payments as they fall due for payment on the dates specified on the front page of this Contract.
 4. The Dealer's liability in respect of the Service is limited to providing vehicle servicing in accordance with the Service Specification and any additional work carried out as per (5).
 5. Any additional work carried out and/or materials supplied by the Dealer not included in the relevant Service will be the responsibility of the Customer and will be payable on collection of the Vehicle.
 6. Failure by the Customer to make payments due pursuant to the Direct Debit Payment Scheme shall entitle the Manufacturer to terminate this Contract and the Manufacturer's obligations under the Contract shall cease immediately. Any monies standing to the Customer's credit will be applied to the payment of any outstanding Management Fees and thereafter will be applied to any outstanding Services Costs owed to the Dealer. In the event that the Service Cost benefit received by the Customer prior to such termination exceeds the payments made by the Customer, the Customer shall remain liable for the outstanding amount and shall make immediate payment to the Dealer of any balance due and the Dealer shall be entitled to charge interest at an annual rate of 4% above the base rate of National Westminster Bank plc from time to time from the date of termination until full reimbursement is made.

7. The Manufacturer obligations under the Contract will cease once all the Services have been provided pursuant to the Service Specification or the Customer cancels the Contract or transfers the Balance to a new Contract whichever is the earlier.

8. The Customer may Transfer the Balance to a new Contract or with the consent of the Manufacturer to a new owner of the Vehicle (This request can be handled via the Service Plan Provider). Transfer to a new Contract may only take place if the new Contract is part of a National Promotion ran by the same Manufacturer. For the avoidance of doubt Transfers cannot take place from a National Promotion Contract to a Dealer own Contract, or between National Promotions ran by different Manufacturers.

9. In the event of a Transfer of the Balance to a vehicle which has higher Service Cost(s) than the Vehicle then the Customer will be advised of any change in the Total Payment and any payments made under the Direct Debit Payment Scheme will be adjusted accordingly. The Customer will be notified by the Service Plan Provider of any change in writing.

10. If the Customer wishes to terminate this Contract prior to all Services having been provided, written confirmation is required from either the Customer or an authorised representative of the Dealer stating the Account Number, Vehicle registration and Customer name and address. If such termination is within 60 days of the date of this Contract and no Services have been provided (and thus no Service Costs incurred) then the Customer will receive a refund of the Balance. If such termination is more than 60 days from the date of the Contract or if Services have been provided and Service Costs incurred then termination shall be subject to payment of the Cancellation Fee, which ordinarily will be deducted from the Balance. Details of the amount of the Cancellation Fee are available at any time from the Service Plan Provider. Any Balance due to the Customer will be paid by the Service Plan Provider within 28 days. In the event that the Balance is in deficit (i.e., less than zero) the Customer shall remain liable for the outstanding amount and shall make immediate payment to the Dealer of an amount to return the Balance to zero, and the Dealer shall be entitled to charge interest at an annual rate of 4% above the base rate of National Westminster Bank plc from time to time from the date of termination until full reimbursement is made.

11. The Customer and the Manufacturer acknowledge that the Service Plan Provider is entitled to collect all or part of the Total Payment and acts as agent for the Manufacturer in relation to the collection of any payments pursuant to the Direct Debit Payment Scheme, Deposits and any Management Fee(s).

12. The Dealer's Standard Terms and Conditions shall apply to all vehicle servicing work carried out by the Dealer pursuant to this Contract.

13. Any payments due pursuant to the Total Payment have been calculated on the basis of the Service(s) occurring at the time intervals specified in the Service Specification. The Dealer reserves the right to require an Accelerated Payment from the Customer in the event of the Vehicle being presented for Service earlier than the time intervals specified in the Service. Any such Accelerated Payment will be requested by the Dealer at the time the Vehicle is presented for Service, but will not affect the amount of the Total Payment (and so the amount of each of the remaining Direct Debit Payments will then be recalculated by the Service Plan Provider to reflect the Accelerated Payment). This Contract only obliges the Dealer to provide Services up to the value of payments made to date by the Customer under the Contract.

14. Any Direct Debit Payments due pursuant to the Direct Debit Payment Scheme have been calculated using the current rates of VAT. If the rate of VAT should change, the Service Plan Provider will adjust the Total Payment and payments due pursuant to the Direct Debit Payment Scheme and/or any Accelerated Payment to reflect the new rate of VAT, and the Customer agrees to pay the adjusted payments.

15. The Customer is reminded that if the Vehicle is still covered by the contractual warranty which came into force on the first registration then the continuing validity of such warranty may be affected if the Vehicle is not serviced at the time and mileage intervals appropriate to it. The Customer is strongly advised to refer to the service handbook of the Vehicle for further information and is advised that in the event of any inconsistency between this Contract and the service handbook as to when Services are due, then the service handbook must be assumed to be accurate. If a Service is due in respect of the Vehicle then it is the responsibility of the Customer to arrange for that Service to be carried out regardless of whether the payments made to date under the Contract are sufficient to pay for the cost of the Service.

16. All non-service related items detailed in the Service Item Breakdown section of the contract may be subject to change.
