- Automatic hazard light activation upon heavy brake application
- Deadlocking
- Electric child locking functionality on rear doors
- Electronic Stability Programme (ESP)
- Exterior temperature indicator with ice warning
- Front retractable headrests and rear retractable headrests (x3), height-adjustable.
- Front three-point retractable seatbelts
- Front ventilated disc brakes, rear disc brakes
- Hill Assist
- Isofix child seat fittings (x2) in the outer rear seats with top tethers on seat backs
- Programmable cruise control and speed limiter
- Rear three-point retractable seatbelts (x3)
- Seatbelt not fastened audible warning
- Steel spare wheel (15" on petrol models)
- Steel space saver spare wheel (15" on diesel models)
- Thatcham approved Cat 2 immobiliser
- Tyre pressure monitoring system (indirect)

**Comfort and Convenience**
- Aviation style handbrake
- Boot area tethering points, 2 x restraint straps and 1 x netted compartment
- Electric and heated door mirrors
- Front and rear ‘one-touch’ electric windows
- Electric power steering with reach and rake-adjustable steering column
- Front central console with two cup-holders
- Front interior light with reading spotlights (x2) and rear interior light with timer
- Heated rear screen
- Multifunction trip computer
- PEUGEOT i-Cockpit®
  - Head-up instrument panel
  - 7" capacitive colour touchscreen
  - Compact multifunction steering wheel
- Rear centre storage compartment
- Rear coat hooks (x2)
- Rear windscreen wiper triggered automatically in reverse gear
- Remote central locking (two remotes)
- 1/3 – 2/3 folding rear seat (with controls accessible from the seat backs)

**Interior Features**
- Dashboard upper and instrument panel surround finish - piano black
- Dashboard facia trim - carbon effect
- Fixing rings (x4) in load area
- Gear lever - automatic in satin chrome and leather effect trim
- Gear lever - manual in satin chrome (6 speed gearbox)
- Gear lever - manual in satin chrome and leather effect trim (5 speed gearbox)
- Parcel shelf - removable and foldable
- Roof lining - Athena Satin light grey
- Satin chrome interior door handles
- Satin chrome outer air vent trim
- Seating - Driver seat height adjustment

**In Car Entertainment**
- Bluetooth® telephone facility
- DAB Radio (Digital Audio Broadcasting)
- Mirror Screen®:
  - MirrorLink®
  - Apple CarPlay™
  - Android Auto
- USB socket
  - 4-speaker radio plus 2 tweeters, MP3 compatible
  - 12 V sockets (x2) (dashboard, rear cabin)

**Exterior Features**
- Body-colour exterior door handles
- Body protectors (protection at bottom of doors) in black
- Roof mounted antennae
- ‘2008’ model designation badge on tailgate

^ Stock Only

CO₂ figures and OTR pricing shown above are for a standard vehicle without any additional optional equipment. CO₂ and fuel economy figures and OTR pricing may vary according to wheel fitment and optional extras fitted.

The fuel consumption you achieve, and CO₂ produced, in real world conditions will depend upon a number of factors including the accessories fitted (post registration), variations in weather, driving styles and vehicle load. There is a new test (WLTP*) used to measure fuel consumption and CO₂ figures. The CO₂ figures shown are NEDC equivalent, calculated using an EC correlation tool which converts WLTP figures to NEDC figures, however, these NEDCeq figures are based on the outgoing test cycle (NEDC**) and will be used to calculate tax for first registration. CO₂ and fuel economy figures may vary according to wheel fitment and optional extras fitted.

Figures shown are for comparability purposes; you should only compare fuel consumption and CO₂ figures with other vehicles tested using the same technical standard.

All information and prices correct at time of publication, but are subject to change at any time without prior notice (which may occur as a result of matters including, but not limited to, any changes in legislation and/or any changes by the government).

For further information call PEUGEOT on 0800 083 3000 or visit our website at www.peugeot.co.uk
**Connected 3D Navigation**

*Standard on Allure Premium and GT Line*

Linked to the 7.0” capacitive colour touchscreen, the system includes European mapping, 3D city mapping and voice recognition.

The system also includes a 3 year subscription^ to PEUGEOT Connect allowing a connection to online navigation services (in partnership with TomTom®). Key features of PEUGEOT Connect include:

- **TomTom® Traffic**: Real-time updates on traffic conditions (traffic jams, road works) and suggested alternative routes.
- **Local Weather**: Displays forecasted weather conditions along the route.
- **Parking**: Displays pricing and availability.
- **Fuel Stations**: Displays nearby fuel stations and pricing.
- **Local search**: Access address and contact detail information for a point of interest*

*Additional terms and conditions apply to connected services, including customer acceptance of location sharing prior to activation.

^After you have taken delivery of your vehicle, please subscribe on:
https://services-store.peugeot.co.uk/

---

**Active City Brake**

*(Cost Option)*

Active City Brake technology makes it possible to avoid an accident or reduce its severity if the driver fails to react.

It works in urban conditions at speeds of less than 20 mph. A short range sensor is fitted to the top of the windscreen and can detect other vehicles that are driving in the same direction or stationary.

This will automatically trigger an emergency brake to stop the vehicle and avoid a collision entirely or limit the consequences of an accident by reducing the speed of impact.

---

**Colour Reversing Camera**

*(Standard on Allure Premium and GT Line)*

A camera located on the rear of the vehicle is linked to the 7.0” capacitive colour touchscreen. Offering increased visibility when reversing. It features a Rear Grid View which gives you a clear view of obstructions to the rear of the vehicle coupled with grid lines oriented to the positioning of the steering wheel, offering perspective for distances of one and two metres respectively from the rear bumper.

---

**Mirror Screen®**

*(Standard across the range)*

Allows the mirroring of a compatible smartphone screen to access the key functionality on the handset. Once paired functions are displayed on the 7.0” capacitive colour touchscreen. System features vary by provider/phone and can include navigation, text display, text reading, media functionality, voice control. Mirror Screen® uses the following systems:

- **Apple CarPlay™**
- **Android Auto**
- **MirrorLink®**

*Please consult peugeot.co.uk for a list of enabled Apple or Android phones - compatibility is based on the phone providers' original operating system.*

---

**Park Assist**

*(Cost Option)* This system provides active assistance for parking by detecting a parking space and then operating the steering system to park in this space.

During a parking manoeuvre the vehicle operates the steering whilst the driver manages the pedals and gearbox control. During the entry and exit from a space the system provides visual and audible information to improve the safety of the manoeuvre. The system works with parallel parking only.
## PEUGEOT 2008 SUV Range: Options

**Model shown is PEUGEOT 2008 SUV GT Line with optional Nera Black metallic paint and Black Pack available at extra cost.**

### açıklama

**For further information call PEUGEOT on 0800 083 3000 or visit our website at www.peugeot.co.uk**

**Note:** The fuel consumption you achieve, and CO2 produced, in real-world conditions will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. There is a new test (WLTP) used to measure fuel consumption and CO2 figures. The CO2 figures shown are NEDC equivalent, calculated using EC correlation tool which converts WLTP figures to NEDC figure; however, these NEDC figures are based on the outgoing test cycle (NEDC) and will be used to calculate tax for first registration.

Figures shown are for comparison purposes, you should only compare fuel consumption of engines with similar specifications and models using the same technical standard.
PEUGEOT Model | AdBlue® Tank Size | Tank Location | Top Up Required
--- | --- | --- | ---
2008 SUV | 15 litres | Passenger side, under fuel filler cap | Around 3,500 miles / after 7 fuel fill-ups

**How Does the Process Work?**

The process specifically targets the pollutants of diesel combustion, removing hydrocarbons and carbon monoxide, reducing nitrogen oxides by up to 90% and eliminating 99.9% of particulates. This occurs during a three stage process:

- **Stage One** - the oxidation catalytic converter eliminates the hydrocarbons (HC) and the carbon monoxide (CO), transforming them into water (H₂O) and carbon dioxide (CO₂).
- **Stage Two** - the SCR (Selective Catalytic Reduction) transforms the nitrogen oxides (NOₓ) into water (H₂O) and nitrogen (N₂), which is the main constituent of air (78%), due to the addition of AdBlue® (mixture of urea and water).
- **Stage Three** - the Particulate Emission Filter eliminates 99.9% of the particulates by number, leaving just harmless water (H₂O) and nitrogen (N₂) gases to be emitted from the exhaust.

To allow treatment of nitrogen oxides (NOₓ) emissions, PEUGEOT passenger cars powered by BlueHDi engine technology are fitted with a separate AdBlue® tank to hold the solution. In most instances this tank is around 17 litres in size. AdBlue® like fuel and screenwash is treated as a consumable and must be kept regularly topped up. Various factors can affect consumption of AdBlue® including but not limited to driving style, weight carried in the vehicle and environmental factors.

**Topping Up AdBlue®**

- Remaining range between 1,500 and 500 miles (2,400 and 800 km): When switching on the ignition, the orange warning lamp (as shown on the left) comes on for about thirty seconds, accompanied by the display of a message (“Top up AdBlue: Starting prevented in x miles/km”) indicating the remaining range expressed in miles or kilometres. The reserve level has been reached; it is recommended that you top up as soon as possible.
- Remaining range between 500 and 62 miles (800 and 100 km): When switching on the ignition, this warning lamp comes on, accompanied by an audible signal (1 beep) and the display of a message (e.g. “Top up AdBlue: Starting impossible in x miles”) indicating the remaining range expressed in miles or kilometres. When driving, the audible signal and the message display are triggered every 62 miles (100 km) until the level is topped up. It is essential to top up as soon as possible and before the tank is completely empty; otherwise it will not be possible to restart the engine after the next stop.
- Remaining range less than 62 miles (100 km): When driving, the audible signal and the message display are triggered every 6 miles (10 km) until the AdBlue tank is topped up. It is essential to top up as soon as possible and before the tank is completely empty; otherwise it will not be possible to restart the engine after the next stop.

**Important Points**

- If your vehicle’s AdBlue® tank is completely empty – which is confirmed by the alert messages and the impossibility of starting the engine – you must add at least 5 litres of AdBlue® solution
- Never pour AdBlue® into the Diesel fuel tank
- If any AdBlue® is splashed, or if there are any spillages on the side of the body, rinse immediately with cold water or wipe with a damp cloth
- If the fluid has crystallised, clean it off using a sponge and hot water
- Keep AdBlue® out of the reach of children, in its original container
- Never store AdBlue® containers in your vehicle
- Use only AdBlue® fluid that meets the ISO 22241 standard
- Never transfer AdBlue® to another container: it would lose its purity
- Never dilute AdBlue® with water
- Important: in the event of a top-up after an AdBlue® breakdown, you must wait about five minutes before switching on the ignition, without opening the driver’s door, unlocking the vehicle or bringing the electronic key into the passenger compartment.

For further information call PEUGEOT on 0800 083 3000 or visit our website at www.peugeot.co.uk
PEUGEOT offer two levels of Service Contract:

**PEUGEOT Service Plans**

What’s included:

- PEUGEOT Service Plans offer complete assurance that all your servicing costs will be completely covered for the duration of the plan.
- We offer PEUGEOT Service Plans for up to five years with many mileage options.
- One-off up front or monthly direct debit payment options available.

Monthly price examples*:

<table>
<thead>
<tr>
<th>36 Months / 30,000 Miles</th>
<th>48 Months / 40,000 Miles</th>
<th>60 Months / 50,000 Miles</th>
</tr>
</thead>
<tbody>
<tr>
<td>£12.53 per month</td>
<td>£16.13 per month</td>
<td>£16.74 per month</td>
</tr>
</tbody>
</table>

* Price examples based on an annual mileage of 10,000 per annum

A PEUGEOT Service Plan can be purchased up to 12 months after registration date. The prices quoted above are indicative, for a bespoke quote please contact your local PEUGEOT Dealer. If the plan is taken out after the date of registration an additional payment will be required to cover this starting period. Any normal wear and tear maintenance work such as replacement of tyres, brake pads, brake discs, clutches, shock absorbers, wipers, batteries, bulbs, silencer, exhausts and windscreens are excluded. Servicing must be carried out by a PEUGEOT Authorised Repairer in the UK. PEUGEOT Motor Company reserve the right to change, amend or withdraw this product at any time.

**Extended PEUGEOT Assistance***

What’s included: Extension of your PEUGEOT Assistance Cover

- Offers you the opportunity to extend PEUGEOT Assistance up to a further two years.
- Cover includes:
  - PEUGEOT Assistance from Home
  - PEUGEOT Roadside Assistance
  - PEUGEOT Recovery
  - PEUGEOT Onward Travel
  - PEUGEOT European Cover

* Excludes non-vehicle induced faults

To find out about extending your PEUGEOT Assistance cover, call 0800 294 0294.

For further information call PEUGEOT on 0800 083 3000 or visit our website at www.peugeot.co.uk

### PEUGEOT 3 Years of Warranty

All vehicles first registered in the UK and purchased from a UK PEUGEOT Dealer benefit from a PEUGEOT 2 year unlimited mileage manufacturer's warranty and a free optional additional 1 year of warranty provided by the PEUGEOT Dealer Network in the UK.

### PEUGEOT Assistance

All new PEUGEOTs come with PEUGEOT Assistance, our breakdown assistance service.

PEUGEOT Assistance is available every minute of the day and night; 365 days of the year, for you and anyone else driving your PEUGEOT with your permission.

Full details are available at www.peugeot.co.uk

### Terms and Conditions

All information and prices correct at time of publication, but are subject to change at any time without prior notice (which may occur as a result of matters including, but not limited to, any changes in legislation and/or any changes by the government).

It is our policy to continually improve our vehicles in every way. To avoid any misunderstandings you are advised to check with your PEUGEOT Dealer the prices, specification (including colour), equipment, accessories and equipment relating to any PEUGEOT vehicle and the exact cost and availability prior to ordering.

Where a feature is described as an option in this publication it should be assumed that it is at extra cost unless specified by stated otherwise.

Issued by Sales and Marketing, PEUGEOT Motor Company PLC, Pinley House, Sunbeam Way, Coventry CV3 1ND.

For further information call PEUGEOT on 0800 083 3000 or visit our website at www.peugeot.co.uk
